

United Way Varsity Letter

Students can help community, earn Varsity Letter in Community Service

United Way of Jasper County's Varsity Letter Program recognizes high school students who have made an exceptional commitment to their community through volunteer work over the course of a year.

The program encourages students to pursue service opportunities that provide skills and leadership development, expands their interests, and gives back to the community.

Upon completion, students receive a Varsity Letter in Community Service and are recognized by United Way of Jasper County.
